

Job offer

Logistics Assistant

More and more the world is realizing that we need to preserve our planet and that it requires a much more sustainable approach on agriculture. Also, the world deserves access to healthy food.

Our mission is to provide a sustainable taste everywhere.

Therefore, we design, build and operate tailor made horticultural solutions for our clients, with a reduced footprint in natural resources, water, CO2 and pesticides. We continuously invest in R&D to strengthen our propositions. This vision allows us to operate our business successfully for a better future.

Your activities

As a Logistics Assistant, you arrange the transport and related export documents for the material flows to our global projects. These documents include invoices, packing lists and certificates of origin. You have many contacts, including suppliers, carriers and customs, and you keep your internal colleagues informed about the transport planning. Each country has its own laws and regulations regarding the flow of documents. This creates a lot of variation in your work.

Your skills and experience

- Completed MBO (senior secondary vocational education) course
- 2-4 years' experience in export administration
- Good command of Dutch and English
- In possession of driving licence B
- Good working use of Microsoft package (Excel/Word/Outlook)
- Strong planning skills
- Flexible, proactive work attitude
- You deal with stress well and are a team player

Our offer

We are a progressive organization where there is also room to grow, both in your own position, within the organization and personally. The technology of horticulture is specific. You gain this knowledge through experience, knowledge transfer from colleagues and internal knowledge sessions via our VDH Academy. We also have an internal Talent Development programme under the guidance of external professionals. This offers you the opportunity to further develop your own competences. With the daily games of billiards in the break, the Friday afternoon drinks and company outings, there is certainly time for relaxation and team building. Finally, we have a profit-sharing scheme and offer 25 days of leave and 7 paid leave days.

How we work

We think and act responsibly for our environment and are committed to realize a sustainable solution for every project. We have a passion for technology and are determined to advance the industry. We act as a team and assure our customers can continue to always rely on our qualitative work.
