

Job offer

Legal Counsel

Our Purpose

More and more the world is realizing that we need to preserve our planet and that it requires a much more sustainable approach on agriculture. Also, the world deserves access to healthy food.

Our mission is to provide a sustainable taste everywhere.

Therefore, we design, build and operate tailor made horticultural solutions for our clients, with a reduced footprint in natural resources, water, CO2 and pesticides. We continuously invest in R&D to strengthen our propositions. This vision allows us to operate our business successfully for a better future.

Your activities

As Legal Counsel you will primarily provide legal and contractual support during tender and execution stages of turnkey horticultural projects in the Netherlands and abroad.

You will support tenders with your advice on legal and contractual risks and also address opportunities that may arise. You will also be supporting project and purchasing departments in subcontracting production and services to external parties.

- Assessment of contract draft during tender stage for Design & Build (EPCI) contracts, as well as Design, Build and Operate (DBO) Contracts.
- Interact in a timely manner with Finance and other departments and external advisors required for tender compliancy and contract negotiations
- Advising Management and Project Managers in case of project related disputes
- Sourcing and coordinating with external advisors on local (construction) law and contract knowledge when required
- Generic contract management tasks such as advising project teams on change order procedures
- Supporting Management on corporate and HR items

Your profile?

- Bachelors/masters Law degree
- Relevant working experience
- Affinity for a project-driven organization
- Willing to travel on occasional basis
- Self-starter

Our offer

We are a progressive organization where there is also room to grow, both in your own position, within the organization and personally. The technology of horticulture is specific. You gain this knowledge through experience, knowledge transfer from colleagues and internal knowledge sessions via our VDH Academy. We also have an internal Talent Development programme under the guidance of external professionals. This offers you the opportunity to further develop your own competences. With the daily games of billiards in the break, the Friday afternoon drinks and company outings, there is certainly time for relaxation and team building. Finally, we have a profit-sharing scheme and offer 25 days of leave and 7 paid leave days.

How we work

We think and act responsibly for our environment and are committed to realize a sustainable solution for every project. We have a passion for technology and are determined to advance the industry. We act as a team and assure our customers can continue to always rely on our qualitative work.
